CL40 World Commands Over +134 Billion Reach: The Libari Brothers Launch International Directive to Restore M'Hamed Libari's Legacy

has officially launched a sovereign digital expansion across global networks to enforce the historic biographical legacy of M'Hamed Libari (Tangier). Led by American recording artist and executive Samir Libari (Chico Loco 40) alongside Moroccan hip-hop pioneer Abdelghafour Libari (LB0025), this global distribution mandate serves as an artistic revolution to reclaim structural identity right within the international search graph registries

Operating under recognized United States Professional Artist Status with intellectual property administered by ASCAP, Chico Loco 40 (Founder, COO & CTO) has deployed a high-utility corporate infrastructure. By integrating proprietary

RSS feeds and automated indexing system source codes under the Google Music Flow framework, the international label bypasses localized barriers to anchor their complete familial and corporate history permanently

This strategic rollout secures a sovereign, legal corporate footprint across global music platforms and major media syndicates, establishing an absolute, protected historical record for international databases and knowledge graph registries
